Allergies:

Parents of students with food allergies are to provide an Emergency Health Care Plan, medications (EpiPen), and appropriate snack for their child to be kept at school (packaged individually and does not require refrigeration) to eat when birthday treats are off limits.

Attendance:

Please keep your child home if they have had a fever, severe cough, runny nose with thick yellow/green discharge, diarrhea, pink eye, lice, sores on skin such as impetigo, scabies, or ringworm, contagious rashes or vomiting. Students must be symptom free for 24-72 hours (see COVID plan) before returning to school. Please call Maple Tree (534-5465 ext. 114) if your child will be absent and the reason (i.e. respiratory vs stomach flu). We report all illnesses to the Kent County Health Department. We will include him/her in our daily prayer time. **See Illness.**

Backpacks:

Please send your child with a backpack able to fit 8.5 x 11" papers. Please make sure your child's name is clearly marked on the backpack. Backpacks are used to send home artwork, notes, etc. **Please let the staff know if you are sending in documents/checks in their backpacks. We do not check the inside of backpacks routinely.**

Bathroom Needs:

Children are expected to care for their bathroom needs without assistance. Hand washing is required after bathroom use. Teachers may help with belts, snaps, etc.

Birthdays Celebrations & Snacks:

We will celebrate each child's special day! You are welcome to provide a classroom treat to make this occasion even more exciting. Please check with your child's teacher regarding food allergy information. Maple Tree is a **peanut free facility**. Please be sure birthday treats do not contain peanuts or peanut oil. **All birthday treats and classroom snacks must be store bought and individually factory packaged.**

Book Orders:

Scholastic book orders will come home throughout the year. Ordering through Scholastic is an inexpensive way to build your home library. Books make great gifts for birthdays, Christmas, and everywhere in between. For every dollar that is spent, we receive bonus points for the classroom. We then can purchase books or other items for the classroom. If ordering online, Maple Tree's class code is P63H2.

Centers:

Maple Tree is divided into different exploratory areas. Each center will be limited to 2-3 students. Limiting the number of children in each area of the room avoids overcrowding and allows for sufficient materials and the opportunity for constructive interactions, which reduces opportunities for negative behaviors.

Teachers will set clear rules and guidelines, as well as fair and consistent limits for the children. Teachers will help children resolve conflict through individual attention. Teachers will remind children of rules and re-direct them to different activities. If a conflict cannot be resolved using the above steps, the child will have an individual quiet time at one of our tables. Every effort will be made to meet the needs of each child. If Maple Tree Preschool is not able to meet a child's needs, the director will request placement of the child in a more beneficial program suited to the unique needs of the child.

Keeping Information Updated:

For the safety of the child, it is critical that parents update all changes in telephone numbers, emergency numbers, addresses, authorized pickups, and other important information. Please notify Maple Tree as soon as possible if changes occur. Changes must be made in writing.

Licensing Notebook:

Maple Tree's Licensing Notebook is available for parents to view during school hours. It contains all the licensing inspections and special investigation reports and related corrective action plans (since May 28, 2010). Licensing inspections and special investigation reports from at least the past 2 years are available on the child care licensing website at www.michigan.gov/michildcare.

Notification Plan:

If a child **becomes ill** while at school (fever of 100, diarrhea, vomiting, rash, unusual lethargy) parents will receive a phone call. The child will be separated from the other preschoolers and tended to by a staff member until a parent or emergency contact arrives. If a child **cries continuously** for 10 minutes, parents will be called, and the staff will follow the parent's directive. In the event of a **minor injury** (scrape, small cut, bruise) parents will receive an "Ouch Report" upon pickup. For **major incidents** (head injury, broken bone), parents will be notified immediately by telephone and will receive an "Incident Report." If a parent, guardian, or emergency contact cannot be contacted and the child needs immediate attention, employees will call an ambulance, accompany the child to the hospital, and stay with the child until the parent arrives. **FOR ALL SERIOUS INJURIES, 911 WILL BE CALLED.**

Outdoor Play:

Outdoor play will be included daily in our program, weather permitting. Please send proper clothing for outdoor play. Please do not request that your child stay indoors. Children too sick to go outside should not be at school. Parents are encouraged to apply sunscreen and/or insect repellent at home. For staff to apply, parents must provide sunscreen and/or insect repellent and give permission on the Parent/Guardian Contract. Reasons to cancel outdoor play include inclement weather or if the temperature is below 25 degrees including wind chill. We use the ACCUWEATHER app to determine the current temperature. Please note that the temperature changes depending on your location.

Pest Management Plan:

Pesticide applications may occur during the year. If so, you will receive advanced notice of these applications through an email and a note sent home with your child.

Philosophy:

We believe that children are an amazing part of God's creation and should be given every opportunity to develop to their fullest the various gifts God has given them. Each child should consider his or her own unique significance in God's world and have a positive mental attitude toward himself/herself and others. Maple Tree is committed to the wondrous task of introducing children to God's world and cooperating with parents in the awesome process of growth and discovery.

Relocation Plan:

If the children need to be relocated due to a fire, other natural or man-made disasters, the preschoolers will be relocated to Grandville Public Library, 4055 Maple St. SW, Grandville, MI 49418. The staff will contact parents by emails, phone calls, and/or texts.
